Free milk for EYFS children

We offer the children in the Early Years Foundation Stage a milk break during morning session each day. All children under the age of five are eligible for free milk. On reaching their fifth birthday there will be a small charge for those children that wish to continue to receive a drink of milk each day. Please contact the office to find the current price for milk. We are sure that the children benefit from having the milk at school and would advise that, if possible, children opt to continue drinking milk after their 5th birthday.

If you have any queries regarding this matter please contact the school office.

Yours sincerely

Mr Sean Smith
Headteacher
