School Business Manager: Mrs G Mortimer

Administrative Team: Mrs D Clipson, Mrs J Clements, Mrs D Johnson

Chair of Governors: Mr R Dickinson

Dear Parent/Carer

## Music Tuition

With the services of the East Riding of Yorkshire Peripatetic Music Service, we provide weekly music tuition for the following range of instruments:

- Brass
- Violin
- Cello
- Recorder
- Flute
- Guitar
- Percussion

Places are strictly limited to ensure very small group size. In order to make the most of it, children will need to be musically inclined and are willing to practise daily. If there are more children wishing to learn than we can accommodate, selection will be by an aptitude test followed by a four week trial period. For the successful children there will be lessons for one term with another test at the end of this time. Thereafter lessons will continue indefinitely, subject to satisfactory progress. For the provision of tuition, this is free for the first half term for beginners, £18 for the following half term, subsequent payments will be £37 per term, and payments are due on the **first** day of each term. **Regrettably we have been forced to adopt the policy that no tuition will be provided unless full payment has been made in advance.** No charge is made on proof of entitlement to free school meals.

The Schools Music Service charge for the loan of an instrument, this charge will be £20 per term; you will receive a letter from them when your child has completed their trial period. We would appreciate it if you could give one terms notice in writing if your child wishes to stop taking part in these lessons.

If you would like your child to have this opportunity, please return the slip below.

Yours sincerely

Mr S Smith  
Headteacher

## Music Lessons (please return slip to the school office)

I should like..... in class.....to be considered for  
 violin , viola , cello , trumpet , french horn,  trombone, recorders , flute , clarinet ,  
 guitar  or percussion
